## GENERAL INFORMATION AND REQUIREMENTS

### 1. BACKGROUND:

The Division of Purchasing and Materials Management has established a contract for the purchase, maintenance and supplies of medium use and high use fax machines for various State of Missouri agencies and cooperative purchasing agencies.

Contract C213007001-Equipment Maintenance Management Program with Specialty Underwriters is an alternative maintenance solution contract that is available to agencies. Contract C213007001 provides maintenance only and does not include supplies. Please refer to the statewide notice (C213007001) for more information.

### 2. ORDERING:

Agencies may use either PGQ or SC for placing orders from this contract. The following information needs to be included on purchase orders submitted for maintenance so the contractor can bill and collect meter readings correctly.

State of MO Contract number

Contractor Vendor Number

Fax Machine make

Fax Machine model

Time Period the PO covers (July 1, 2010 thru June 30, 2011....as an example)

Quantity

Bill to Address

Ship to address... Fax Machine address location, i.e., Dept and/or Div, Street Address, Room No., City, State, Zip

Contact information

This information will allow us to set the copier up properly in the system to bill the correct amount to the correct address, inform the service tech of the location of the machine when service is needed, and give us ample information to collect the monthly meter reading.

### 3. WARRANTY:

Warranty on new equipment commences upon installation and acceptance by the state agency and is for one year. This warranty covers both parts and labor. There is no need for a maintenance agreement until the warranty is expired. Additional warranties may be purchased under this contract.

### 4. SHIPPING:

All prices are F.O.B. Destination and include shipping charges. The contractor will be responsible for replacing any equipment or supplies received in damaged condition at no cost to the State of Missouri. This includes all shipping costs for returning non-functional items to the contractor for replacement.

### 5. CANCELLATION:

Maintenance agreements may be canceled with thirty (30) days written notice to the contractor at no additional cost to the State of Missouri. The agency shall send to the contractor a written notice of cancellation referencing the copier model, serial number, location, and contract number.

### 6. INSTALLATION:

The contractor will provide free installation with the purchase of a new facsimile machine and all start-up supplies at no additional cost. Upon receipt of an order, the contractor will contact the state agency to coordinate

installation and training. The contractor will furnish all labor and materials necessary for the successful completion of the installation and operation of each unit.

- a. The contractor will supply the user documentation/operating manuals necessary to install, operate and maintain the products provided. The contractor will furnish to the state agency at least one (1) set of all technical literature for each fax machine purchased.

**7. MAINTENANCE TERMS:**

The contractor will provide on-site maintenance for all installed fax machines. Following notification, the contractor will provide a qualified technician certified on the facsimile transceiver on-site within the service response time specified herein. The contractor will provide maintenance on both a monthly maintenance plan and on an hourly time and materials basis at the sole option of each state agency. Both maintenance options must include all parts and labor. The contractor will agree and understand that state agencies will not be required to purchase maintenance from the contract.

- b. The contractor will maintain service facilities and furnish trained personnel qualified to service the equipment throughout the state.
- c. The contractor will provide any service and material necessary to maintain each fax machine in good working condition as requested by the agency.
- d. The contractor should provide remote diagnostic maintenance service.
- e. The contractor's maintenance service must be available during normal business hours (8:00 a.m. to 5:00 p.m. central time Monday through Friday).
- f. The contractor will agree and understand that the State of Missouri reserves the right to cancel maintenance on any or all of the item(s) with 30 days prior written notice to the contractor.
- g. The contractor must provide a "call back" response (during normal business hours) to hardware maintenance calls within one (1) hour after the call is placed. It is highly desirable that the contractor's "call back" response be within thirty (30) minutes.
- h. Once it has been mutually determined that a service technician is required on-site for maintenance services, the contractor must response with service personnel within six (6) business hours after this mutual determination for on-site service has been made. However, it is highly desirable that service personnel respond on-site within two (2) business hours after this mutual determination for on-site service has been made.

**8. SUPPLIES:**

The contractor will provide all supplies necessary for the operation of the fax machine, if requested by the using state agency. The state agencies are not be required to purchase supplies from the contract.

**9. INVOICING REQUIREMENTS:**

All invoices must bear the state's contract number, and reference the model number, serial number, copy usage, unit and extended price, billing period, and agency name and location.

**10. PAYMENT IN ARREARS:**

All payments shall be made in arrears only.
